Dear Chief O'Connor:

It is my pleasure to confirm that on September 9, 2026 , the Massachusetts Police Accreditation Commission voted to award Accreditation to the Stoughton Police Department.

Accreditation status has been awarded for a period of three years, ending October 2029. The integrity vested in your Department now presumes functional compliance with program standards in between assessments, which includes complying with all new and amended standards adopted by the Commission.

Achieving Accreditation demonstrates your Department's commitment to delivering an exemplary level of police service in your community. As you know, it is a lot of hard work and a department-wide effort. We commend the Stoughton Police Department for its accomplishments and applaud you personally for your leadership role in the process.

We look forward to working with you in your continuous pursuit of professional excellence. On behalf of the Commission, thank you for your participation in the Massachusetts Police Accreditation Program and congratulations on a job well done!
